## Career Options

The VCAL gives practical work-related experience and a qualification that will be recognised by TAFE institutes, Universities and employers. Together these will help you move from school into work, an apprenticeship or traineeship and/or further training at TAFE. If you have completed VET units as part of your VCAL certificate you will have developed knowledge and skills that employers value, for example industry awareness, use of tools required in the industry, occupational health and safety. Completed VET units will also help demonstrate to an employer that you are keen to work in the industry.
