## **SOUTH GIPPSLAND MUSIC PROGRAM 2021**

Welcome to the **SOUTH GIPPSLAND SCHOOLS MUSIC PROGRAM (SGSMP)** for 2021

### **CONDITIONS OF HIRE OF INSTRUMENTS**

Our instrumental music program provides students with the ability to hire an instrument when joining. This enables students to utilise an instrument when commencing, and if continuing on, may purchase their own after initial year of hire. The only instrument not available for hire is guitar.

The following conditions apply to the hiring of all instruments:

1. Payment of hire (and tuition) fees (or payment plan put in place) must be finalized prior to the end of term 1.
2. All reasonable care must be taken against the instrument being lost, stolen or damaged. School insurance does not cover the instrument outside the school grounds.
3. The hirer must pay for any repairs necessary due to the damage caused through the student's negligence.
4. No other person other than the student must be allowed to play or handle the instrument.
5. On no account must the student, or any other person, attempt repairs or adjustments to the instrument. Any damage or defects in the instrument must be brought to the attention of the instrumental teacher.
6. The student must practice regularly, attend lessons and band rehearsals, or the instrumental hire may be forfeited.
7. On woodwind instruments, replacement reeds shall be purchased by the student as required.
8. Once satisfactory progress has been made on an instrument, it is normally expected that students will purchase their own instruments so that other beginners may take advantage of the school's instruments. Parents should therefore plan, after consulting with the school, to purchase a replacement instrument.
9. All hire instruments must be returned at the end of the year in the second-last week of the school year. This will enable us to make sure they are in good order to be hired out to new students at the start of the next year.
